

AAA Foundation for Traffic Safety Publications

March 1, 2012

The AAA Foundation for Traffic Safety has funded traffic safety research and produced reports going back to 1958. With one exception, reports produced between 1994 and 2007 are available free of charge in hardcopy. Additionally, these reports as well as our more recent reports are available as electronic files. Hardcopies of many of the earlier reports are also available free of charge and those that are out-of-print can be purchased for 10 cents per page plus \$7.50 for shipping and handling. For hardcopies, please [email us](#) with your mailing address and the name(s) of the reports you'd like to receive. Please visit our [Electronic Research Reports](#) page or click individual publication titles below for electronic copies.

2012

[Traffic Safety Culture Index Report](#), AAA Foundation for Traffic Safety.

2011

[Unlicensed to Kill 2011](#), AAA Foundation for Traffic Safety.

[Toward Operationalizing And Measuring Traffic Safety Culture](#), Girasek DC,

[Online Basic Driver Education](#), Hamilton BC.

[Distracted Driving Message Development and Testing](#), Allsop D.

[Transition To Unsupervised Driving](#), , Foss RD, Goodwin AH, O'Brien NP.

[Measuring Changes in Teenage Driver Crash Characteristics During the Early Months of Driving](#), Foss RD, Martell CA, Goodwin AH, O'Brien NP.

[Impact Speed and a Pedestrian's Risk of Severe Injury or Death](#), Tefft BC.

2010

[The Prevalence and Impact of Drowsy Driving](#), Tefft BC.

[2010 Traffic Safety Culture Index Report](#), AAA Foundation for Traffic Safety.

[Parents, Teens, and the Learner Stage of Graduated Driver Licensing](#), Goodwin AH, Foss RD, Margolis L, Waller M.

[Large Scale Evaluation of Driver Education: Literature Review](#), Lonero L, Mayhew D.

[usRAP Phase III](#), Harwood DW, Gilmore DK, Bauer KM, Souleyrette R, Hans ZN.

[Evaluation of New Jersey Graduated Driver Licensing Program](#), Williams AF, Chaudhary NK, Tison J.

2009

[2009 Traffic Safety Culture Index Report](#), AAA Foundation for Traffic Safety.

[Proceedings of the National Rural Summit on Traffic Safety Culture 2009](#), Western Transportation Institute, Research and Innovative Technology Administration, Montana Department of Transportation, Federal Highway Administration, AAA Foundation for Traffic Safety.

[Older Adults' Knowledge About Medications That Can Impact Driving](#), MacLennan PA, Owsley C, Rue LW, McGwin G.

[Driver Licensing Policies and Practices: Gearing Up for an Aging Population](#), Stutts J, Wilkins J.

[Aggressive Driving: Research Update](#), AAA Foundation for Traffic Safety.

[Risks Older Drivers Pose to Themselves and to Other Road Users](#), Tefft BC.

[Everyone's At Risk](#), AAA Foundation for Traffic Safety.

2008

[Cell Phones and Driving: Research Update](#), AAA Foundation for Traffic Safety.

[Medical Fitness to Drive and A Voluntary State Reporting Law](#), Meuser TM, Carr DB, Ulfarsson GF, Berg-Weger M, Kim J-K, Epplin-Zapf TJ, Barco P, MacLean K, Osberg S.

[Use of Advanced In-Vehicle Technology by Younger and Older Early Adopters](#),

The following papers are published in the aforementioned report:

1. [Adaptive Cruise Control](#), NHTSA
2. [Sensor-Based Backing Aids](#), NHTSA
3. [Headlamp Systems](#), NHTSA
4. [Navigation Systems](#), NHTSA

[North American License Policies Workshop Proceedings](#), Eby DW, Molnar LJ.

[Traffic Safety Culture Index](#), AAA Foundation for Traffic Safety.

[Unlicensed to Kill: Research Update](#), AAA Foundation for Traffic Safety.

[usRAP Pilot Program, Phase II](#), Harwood DW, Gilmore DK, Torbic DJ, Souleyrette R, Hans ZN.

2007

[Enhancement of Driving Performance Among Older Drivers](#), Marottoli RA.

[Pedestrian Signal Safety for Older Persons](#), Stolof ER, McGee H, Eccles KA.

[The Car Occupant Safety Awareness Project: Lessons for English Language Learners on the Benefits of Seat Belt and Child Safety Seat Usage](#), Spring Institute for Intercultural Learning, Injury Prevention Center of Greater Dallas.

[Getting Around: Alternatives for Seniors Who No Longer Drive](#), Kaplan N, White M, Center for Healthy Aging.

Improving Traffic Safety Culture in the United States: The Journey Forward,

The following papers are published in the aforementioned compendium:

1. *Finding the next cultural paradigm for road safety*, Lonero L.
2. *Effecting a traffic safety culture: Lessons from cultural change initiatives*, McNeely CL, Gifford JL.
3. *Traffic safety in the context of public health and medicine*, Sleet DA, Dinh-Zarr TB, Dellinger AM.
4. *The making of driving cultures*, Moeckli J, Lee JD.
5. *Overcoming barriers to creating a well-functioning safety culture: A comparison of Australia and the United States*, Williams AF, Haworth N.

6. *The role of public surveys in measuring program effectiveness and improving road safety*, Allen P, Mercer GW.
7. *A review of safety culture theory and its potential application to traffic safety*, Wiegmann DA, von Thaden TL, Mitchell Gibbons A.
8. *Moving America towards evidence-based approaches to traffic safety*, Girasek DC.
9. *Addressing behavioral elements in traffic safety: A recommended approach*, Foss R.
10. *The perceived legitimacy of intervention: A key feature for road safety*, McKenna FP.
11. *Creating a Total Safety Traffic Culture*, Dula CS, Geller ES.
12. *A barrier to building a traffic safety culture in America: Understanding why drivers feel invulnerable and ambivalent when it comes to traffic safety*, Smith K, Martin JW.
13. *Supporting highway safety culture by addressing anonymity*, Jenness JW.
14. *Customized driver feedback and traffic-safety culture*, Eby DW, Bingham CR. 15. *The culture of traffic safety in rural America*, Ward NJ.
16. *Changing America's culture of speed on the roads*, Harsha B, Hedlund J.
17. *Aspects of meaning and relevance in news media coverage of motor vehicle accidents*, Martin JW, Smith K, Worth M.
18. *Road traffic in the Netherlands: Relatively safe but not safe enough!* Wegman F.
19. *Road safety culture development for substantial road trauma reduction: Can the experience of the state of Victoria, Australia, be applied to achieve road safety improvement in North America?* Howard E, Sweatman P.
20. *A case for evidence-based road-safety delivery*, Hauer E.
21. *Development of an implementation infrastructure to support a traffic safety culture*, Thomas Harder B.
22. *Is a strong safety culture taking root in our highway agencies?* Bahar G, Morris N.

[Short-Term License Suspensions for Drinking Drivers](#), Beirness DJ, Singhal D, free hardcopies are available.

[Nationwide Review of Graduated Driver Licensing](#), Baker SP, Chen L, Li G, free hardcopies are available.

2006

[Screening for Our Safety](#), Mello MJ, Nirenberg TD, McMahon-Downer M, Baird J, free hardcopies are available.

[How Risky Is it? An assessment of the relative risk of engaging in potentially unsafe driving behaviors](#), Klauer SG, Sudweeks J, Hickman JS, Neale VL, free hardcopies are available.

Evaluating Driver Education Programs, Lonero L, Clinton KM, free hardcopies are available.

[usRAP - U.S. Road Assessment Program: Feasibility Assessment and Pilot Program](#), Midwest Research Institute; Center for Transportation Research and Education, Iowa State University, free hardcopies are available.

[Safety Impacts of Pavement Edge Drop-offs](#), Hallmark SL, Veneziano D, McDonald T, Graham J, Bauer KM, Patel R, Council FM, free hardcopies are available.

[Developing Traffic Safety Education Materials for Spanish-Speakers](#), Miara C, Streit-Kaplan E, free hardcopies are available.

[Reducing the Crash Risk for Young Drivers](#), Mayhew DR, Simpson HM, Singhal D, Desmond K, free hardcopies are available.

[Effects of Interventions to Increase Use of Booster Seats in Motor Vehicles for 4-8 Year Olds](#), Ehiri J, King W, Ejere HOD, Mouzon P, free hardcopies are available.

[Traffic Safety Issues of the Future: A Long Range Research Agenda](#), Pisarski A, Nelson DC, Shinar D, Harwood D.

2005

[A Guidebook for Observing Occupant Restraint System Use and Misuse](#), Decina L, Lococo K, free hardcopies are available.

2004

[Survey of U.S. and Canadian Police Officers about The Public's Drowsy Driving Behavior](#), Stutts JC, Wilkins JW, Vaughn BV, free hardcopies are available.

[Supplemental Transportation Systems for Seniors II](#), The Beverly Foundation, free hardcopies are available.

[Older Driver Involvement in Injury Crashes in Texas](#), Griffin LI, free hardcopies are available.

[The Safety Impact of Vehicle-Related Road Debris](#), Forbes G, Robinson J, free hardcopies are available.

2003

[Distractions in Everyday Driving](#), Stutts J, Feaganes J, Rodgman E, Hamlett C, Meadows T, Reinfurt D, Gish K, Mercadante M, Staplin L, free hardcopies will be available in August 20

Stutts JC, Wilkins JW, Osberg JS, Vaughn BV. **Driver Risk Factors for Sleep-related Crashes**, *Accident Analysis and Prevention*, 2003; 35:321-331, available from the journal.

[Unlicensed to Kill: The Sequel](#), Scopatz RA, Hatch CE, DeLucia BH, Tays KA, free hardcopies are available.

2002

[Review of Screening Instruments and Procedures for Evaluating DWI Offenders](#), Chang I, Gregory C, Lapham SC, free hardcopies are available.

[Drunk Driving: Seeking Additional Solutions](#), Hedlund JH, McCartt AT, free hardcopies are available.

[Identifying Unsafe Driver Actions that Lead to Fatal Car-Truck Crashes](#), Kostyniuk LP, Streff FM, Zakrajsek J, free hardcopies are available.

[Seated for Safety: Child passenger safety educational materials in the United States: Content, availability, accuracy, and appropriateness](#), Ross JB, Gallagher SS, Hudson J, Miara C, free hardcopies are available.

2001

[Countermeasures for Reducing the Effects of Headlight Glare](#), Mace D, Garvey P, Porter RJ, Schwab R, Adrian W, free hardcopies are available.

[Supplemental Transportation Programs for Seniors](#), The Beverly Foundation, free hardcopies are available.

[The Role of Driver Distraction in Traffic Crashes](#), Stutts JC, Reinfurt DW, Staplin L, Rodgman EA, free hardcopies are available.

2000

[Safety Behavior of Inline Skaters](#), Osberg JS, Stiles SC. Injury Prevention, 2000;6(3):229-231, free reprints are available.

[Longer Combination Vehicle Safety Data Collection](#), Scopatz RA, Delucia BH, free hardcopies are available.

[Unlicensed to Kill](#), Griffin LI, DeLaZerda S, free hardcopies are available.

1999

[Why Do People Have Drowsy Driving Crashes? Input from Drivers Who Just Did](#), Stutts JC, Wilkins JW, Vaughn BV, free hardcopies are available.

[Skating: An Emerging Mode of Transportation](#), Osberg JS, Faul S, Poole J, McHenry J, Presented at the Transportation Research Board 79th Annual Meeting, free hardcopies are available.

[Controlling Road Rage: A Literature Review and Pilot Study](#), Rathbone DB, Huckabee JC, free hardcopies are available.

1998

[Skatboarding: More Dangerous Than Roller Skating or In-line Skating](#). Osberg JS, Schneps SE, DiScala C, Li G. Archives of Pediatrics and Adolescent Medicine, 1998;152(10):985-991, free reprints are available.

[Bicycle Use and Safety in Paris, Boston, and Amsterdam](#). Osberg JS, Stiles SC. Transportation Quarterly, 1998;52(4), free reprints are available.

1997

[Aggressive Driving: Three Studies](#), free hardcopies are available.

1. Aggressive Driving

Louis R. Mizell, Jr.

Mizell & Co. International Security

Bethesda, MD

2. Road Rage

Matthew Joint, MSc, BSc, MCIT

The Automobile Association

Basingstoke, Hants, United Kingdom

3. Driver Aggression

Dominic Connel, BSc and Matthew Joint, BSc, MSc, MCIT

The Automobile Association

Basingstoke, Hants, United Kingdom

1996

A Review of Two Innovative Pavement Patterns that Have Been Developed to Reduce Traffic Speeds and Crashes.

Lindsay I. Griffin, III and Robert N. Reinhardt, Texas Transportation Institute, Texas A&M, free hardcopies are available.

1995

Safety Effects Resulting from Approval of the National Highway System. Bellomo-McGee, Inc, free hardcopies are available.

[Novice Driver Education Model Curriculum Outline.](#) Lawrence Lonero, Kathryn Clinton, Irene Laurie and Douglas Black, Northport Associates; John Brock, InterScience America; Gerald Wilde, Queen's University, free hardcopies are available.

1994

[The Elimination or Mitigation of Hazards Associated with Pavement Dropoffs During Roadway Resurfacing.](#) Jack B. Humphreys and J. Alan Parham, Transportation Center, University of Tennessee, free hardcopies are available.

1993

Driver and Pedestrian Comprehension of Pedestrian Law and Traffic Control Devices. John E. Tidwell and Devin Doyle, University of Tennessee, free hardcopies are available.

Dynamic Visual Contrast Sensitivity. Herschel Liebowitz, Richard A. Tyrrell, Jeffrey T. Andre, Beth Groetzinger Eggers and Mary E. Nicholson, Pennsylvania State University, free hardcopies are available.

[A Study of Young Driver Insurance Records: Opportunities for Automobile Insurers.](#) James Malfetti, Columbia University, free hardcopies are available.

Neck Injuries Amongst Motor Vehicle Occupants Involved in a Collision. Claire Laberge-Nadeau, Xiang-Tong Tao and Urs Maag, University de Montreal, free hardcopies are available.

Pedestrian Accidents and Left-Turning Traffic at Signalized Intersections. Kwei Quayr, Lars Leden and Ezra Hauer, University of Toronto. Copies Available @ .10/page. (17 pgs.)

A Summary of Older Driver Research Funded by the AAA Foundation for Traffic Safety. AAA Foundation for Traffic Safety, free hardcopies are available.

Functional Screening of Older Drivers Using Interactive Computer-Video Scenarios. William Schiff and Rivka Oldak, New York University, free hardcopies are available.

[Can Drivers Avoid Falling Asleep at the Wheel?](#) Anna Itoi, Roberto Cilveti, Mike Voth, Bezalel Dantz, Pam Hyde, Arun Gupta and William C. Dement, Stanford University Medical Center, free hardcopies are available.

Driving Cessations and Accidents in the Elderly: An Analysis of Symptoms, Diseases, Cognitive Dysfunction and Medications. Ronald B. Stewart, Mary T. Moore, Ronald G. Marks, Franklin E. May and William E. Hale, University of Florida, free hardcopies are available.

1992

School Safety Patroller Training. AAA Michigan

[Evaluating Vehicle Displays for Older Drivers.](#) David Mayer, Lila Laux, Rice University, free hardcopies are available.

The Influence of Responsible Drinking Spots and Automobile Commercials on Young Drivers. Charles Atkin, Michigan State Television, William DeJong, Harvard University, Lawrence Wallack, University of California, Berkeley, free hardcopies are available.

Did the 65 MPH Speed Limit Save Lives? Charles Lave, Patrick Elias, University of California, Irvine, free hardcopies are available.

The Impact of Cognitive Decline and Dementia on Driving in Older Adults. Laura Cushman, University of Rochester, free hardcopies are available.

Accident Characteristics of Large Trucks on Highway Ramps. Nicholas Garber, Ravi Kalapatapu, University of Virginia, free hardcopies are available.

The Effect of In-Vehicle Navigation Information Systems Upon Driver Attention. James McKnight, Scott McKnight, National Public Service Research Institute, free hardcopies are available.

Injury Patterns of Seat Belted Patients Admitted to a Trauma Center. Dean Hess, Betty Valenti, Steve Forry, Khaleel Shikh, Nikhhileshwer Agarwal, York Hospital, free hardcopies are available.

[Police Pursuit in Pursuit of Policy: Pursuit Issue, Legal and Literature Review, and an Empirical Study.](#) Michael Charles, David Falconne, Edward Wells, Illinois State University, free hardcopies are available.

The Effects of Blood Alcohol Levels on Driving Simulator, Coordination and Reaction Time Tests in a High Risk Population. Daniel Cox, Charles Gressard, Warren Quillian, Perry Westerman, Linda Gonder-Frederick, University of Virginia, free hardcopies are available.

An Observational Study of Driver Selection of Gaps at the Intersections in Urban Areas. John A. Beno, Iowa State University, free hardcopies are available.

Impact of Wide Base Radial Truck Tires on Highway Safety. J.T. Tielking, V.J. Pezoldt, Texas Transportation Institute, Texas A&M, free hardcopies are available.

1991

[Locating Vehicle Controls and Displays; Effects of the Expectancy and Age.](#) Lila Lauz, Rice University Human Factors Lab, free hardcopies are available.

A Focus Group Study Of Seat Belt Utilization: An Analysis of Subjective Meanings - College. Eldon E. Snyder, Bowling Green State University, Department of Sociology, free hardcopies are available.

Peripheral Visual Field Loss and Driving Performance. Janet Szlyk, University of Illinois, UIC Eye Center, free hardcopies are available.

Safety Impacts of the 65-MPH Speed Limit on Interstate Highways. Gang-Len Chang, University of MD Transportation Studies Center. Copies Available @ .10/page. (72 pgs)

Ignition Interlock Devices: An Assessment of their Application to Reduce DUI. Robert Linnell, Harmony Institute Inc. Copies Available @ .10/page. (53 pgs.)

Administrative License Revocation for Drink Drivers: Options and Choices on Three States. H. Laurence Ross, University of New Mexico, free hardcopies are available.

The Contribution of Rollover to Single-Vehicle Crash Injuries, Kenneth Terhune, Advance Technology Center, Arvin/Calspan Trans Science, free hardcopies are available.

Aging and the Visibility of Highway Signs: A New Look Through Old Eyes. Donald Kline, University of Calgary, Department of Psychology, free hardcopies are available.

Alcohol and the College Freshman, “Binge” Drinking and Associated Problems. Henry Wechsler, Harvard School of Public Health. Copies available @ .10/page. (60 pgs.)

[The Effect of Cellular Phone Use Upon Driver Attention.](#) A. James McKnight, National Public Services Research Institute, free hardcopies are available.

Development of a Guide for People Concerned About an Older Driver. James L. Malfetti, Darlene Winter, Safety Research & Education Project - Teachers College - Columbia University, free hardcopies are available.

1990

TV Beer Commercials and Children: Exposure, Attention, Beliefs, and Expectations about Drinking as an Adult. Lawrence Wallack, School of Public Health, University of California, Berkeley and Joel Grube, Prevention Research Center Pacific Institute for Research and Evaluation, Berkeley, CA. Copies Available @ .10/page. (57 pgs.)

Age-related changes in Sensory, Cognitive, Psychomotor and Physical Functioning and Driving Performances in Drivers Aged 40-92. Lila F. Laux, Ph.D., Rice University. Copies Available @ .10/page. (58 pgs.)

Geography Perspectives on Improving Emergency Notification in Road Accidents. Harold Brodsky, University of Maryland, free hardcopies are available.

Social Drinking and Driving: Techniques to Reduce the Risk of Impairment. Muriel Vogel-Sprott, University of Waterloo, Canada. Copies Available @ .10/page. (20 pgs.)

The Development & Evaluation of a New Video Film on Parenting and Impaired Driving Prevention - Parents Discuss Kids, Cars and Alcohol. Kenneth H. Beck, University of Maryland Safety Education Center, free hardcopies are available.

A Search for Evidence of the Fascination Phenomenon on Road Side Accidents. Michael T. Charles, John Crank, David F. Falcone, Illinois State University. Copies Available @ .10/page. (113 pgs.)

Beer and Fast Cars: How Brewers Target Blue-Collar Youth through Motor Sports Sponsorship. David R. Buchanan, Jan Lev, Marin Institute for Substance Abuse. Copies Available @ .10/page. (92 pgs.)

A Graded License for Special Older Drivers: Premise and Guidelines. James L. Malfetti, Darlene J. Winter, Safety Research & Education Project Teachers College Columbia University, free hardcopies are available.

Older Drivers' Perception of Problems on Freeway Use. Neil D. Lerner, Melanie L. Morrison, Donna J. Ratte, COMIS Corporation, free hardcopies are available.

Jailing Traffic & DUI Offenders: Trends from 1972-1983. Ralph A. Weisheit, John M. Klofas, Illinois University. Copies Available @ .10/page.

The Young Driver Attitude Scale. AAA Foundation for Traffic Safety, free hardcopies are available.

Manual for the Administration of the Young Driver Attitude Scale. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (26 pgs.)

1989

Young Driver Attitude Scale: The Development & Field Testing of an Instrument to Measure Young Driver Risk-Taking Attitudes & Some Exploratory Interventions. James L. Malfetti, Patti R. Rose, Nancy A. Dekorp, Charles E. Basch, Safety Research & Education Project - Teachers College Columbia University. Copies Available @ .10/page. (171 pgs.)

The Effect of Truck Traffic Control Strategies on Traffic Flow & Safety on Multilane Highways. Nicholas Garber, Ravi Gadiraju, University of Virginia, free hardcopies are available.

A Flexibility Fitness Training Package for Older Driver Performance. AAA Foundation, free hardcopies are available.

Tire Chain Effectiveness Study-Report to the Legislature. Operational Planning Section, California Highway Patrol, free hardcopies are available.

The New Philadelphia Story: The Effects of Severe Penalties for Drink Driving. H. Laurence Ross, Robert Voas, University of New Mexico, free hardcopies are available.

Physical Fitness & the Aging Driver Phase II. West Virginia University, free hardcopies are available.

1988

Estimating the Full Economic Costs of Truck Incidents on Urban Freeways. Roger F. Teal, University of California, Irvine, free hardcopies are available.

Safety Impacts Associated with Installation of High Occupancy Vehicle Lanes. Thomas Golob, Wilford Recker, University of California, Irvine, free hardcopies are available.

Physical Fitness & the Aging Driver Phase I. West Virginia University. Copies Available @ .10/page. (71 pgs.)

Older Drivers in the U.S. & Canada; Regulations & Programs of State & Provincial Motor Vehicle Agencies. James A. Malfetti, Darlene J. Winter, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (108 pgs.)

Highway Safety and the 65 MPH Maximum Speed Limit: An Empirical Study. Patrick S. McCarthy, Purdue University. Copies Available @ .10/page. (62 pgs.)

The Impact of Severe Penalties on Drinking and Driving. Hans Joksch, Mid America Research, free hardcopies are available.

Familiarity Effects of Daytime Rear Running Lights. Essex Corporation, free hardcopies are available.

1987

Myths, Men & Beer: An Analysis of Beer Commercials of Broadcast Television. N. Postman, C. Nystrom, L. Strate, C. Weingartner, New York University, free hardcopies are available.

The Flinstone Kids Explain How to Use Seat Belts Properly. AAA Foundation, free hardcopies are available.

The Effects of Automobile Safety on Vehicle Type Choice: An Empirical Study. James L. Malfetti, Darlene J. Winter, Safety Research & Education Project, Teachers College Columbia University, free hardcopies are available.

Perceptions, Attitudes, Motivations & Behaviors of Drivers 18 to 22 Years Old. Charles Basch, Ingrid Decicco, James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University, free hardcopies are available.

1986

A Traffic Safety Communications Rating Scale. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University, free hardcopies are available.

The Development of a Traffic Safety Communication Rating Scale. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University, free hardcopies are available.

School Safety Patrol Advanced Training Program. Nebraska Safety Center, Kearney State College. Copies Available @ .10/page. (60 pgs.)

Seat Belt Law Experience in Four Foreign Countries Compared to the United States. B.J. Campbell, Frances Campbell, University of North Carolina. Copies Available @ .10/page. (70 pgs.)

Development of the Older Driver Self Assessment Inventory. James L. Malfetti, Darlene J. Winter, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (147 pgs.)

Local Response to Hazardous Materials Incidents & Accidents. Public Technology Inc. Washington, D.C. Copies Available @ .10/page. (47 pgs.)

Analysis of Driver, Vehicle & Highway Characteristics in Car/Tractor Trailer Collisions at Interchange & Road Construction/Maintenance Locations. Stephen Shao, Jr. Baltimore University. Copies Available @ .10/page. (97 pgs.)

Driver 55 Plus: Test Your Own Performance - A Self Rating Exam of Question, Facts and Suggestions for Safe Driving. James L. Malfetti, Darlene J. Winter, Safety Research & Education Project, Teachers College Columbia University. Free hardcopies are available.

Critical Item Safety for School Bus Drivers. Edward Kynaston, California Highway Patrol. Copies Available @ .10/page. (16 pgs.)

Driver Education Fifty Years of Youth Instruction. Public Technology Inc. Washington, D.C, free hardcopies are available.

1985

Suggested Guidelines for Establishing a New Maximum Speed for Specific U.S. Highways. AAA Foundation, free hardcopies are available.

Safety Implications of Structural Changes Occurring in the U.S. Motor Carrier Industry. Forrest Baker, Transportation Research & Marketing Inc. Copies Available @ .10/page. (32 pgs.)

A Special Study of the Safety Implications of the Utilization of Small Urban Cars. Automotive Transportation Center, Purdue University, free Copy Available

Drivers 55+: Needs and Problems of Older Drivers: Survey Results and Recommendations-Proceedings of the Older Driver Colloquium. AAA Foundation. Copies Available @ .10/page. (130 pgs.)

A Report on the Determination & Evaluation of the Role of Fatigue in Truck Accidents. Forrest Baker, Transportation Research & Marketing Inc, free hardcopies are available.

The Influence if Heavy Trucks on the Overload & Allocation of User Costs on Bridge Structures. David Schelling, University of Maryland. Copies Available @ .10/page. (70 pgs.)

Improving School Bus Driver Performance. Ernest Farmer, Tennessee Dept. of Education. Copies Available @ .10/page. (45 pgs.)

Alcohol Education Film Package for Use with Starting Early-Film Scripts. Metropolitan Life, AAA Foundation. Copies Available @ .10/page. (16 pgs.)

Guide to Skills Tests & Bicycle Rodeos. AAA Foundation, John Williams, Dan Burden. Copies Available @ .10/page. (49 pgs.)

1984

Car Size & Occupant Fatality Risk Adjusted for Difference in Drivers & Driving Conditions. Hans Joksch, Center for the Environment & Man. Copies Available @ .10/page. (36 pgs.)

An Educational Unit on Marijuana & Traffic Safety Teachers Guide. James L. Malfetti, Linda Stampoulos. Safety Research & Education Project, Teachers College Columbia University.

Development & Evaluation of an Educational Unit on Marijuana and Traffic Safety. James L. Malfetti, Linda L. Stampoulos, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (149 pgs.)

1983

Reducing Skidding Accidents. AAA Foundation, David Solomon. Copies Available @ .10/page. (43 pgs.)

DWI Reeducation & Rehabilitation Programs-Successful Results and the Future: Proceedings of the DWI Colloquium. AAA Foundation. Copies Available @ .10/page. (154 pgs.)

1982

Safe Playing-Final Report on Field Test. Dennis Embry, James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University, free hardcopies are available.

Development of an Alcohol Education & Traffic Safety Module for Elementary School, Kindergarten through Sixth Grade. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (426 pgs.)

An Overview of Fatal Highway Accidents Involving Trucks in Pennsylvania. AAA Foundation, Sam Yaksich. Copies Available @ .10/page. (26 pgs.)

Drunk Driving: Is There an Answer? AAA Foundation, free hardcopies are available.

The Tip of the Iceberg —Alcohol's Involvement in Fatal Highway Crashes. AAA Foundation, Sam Yaksich, free hardcopies are available.

Senior Adults Traffic Safety & Alcohol Program Leader Guide. Darlene J. Winter. Safety Research & Education Project, Teachers College Columbia University.

Analysis of HSRI Study of Car/Truck Crashes in the United States. AA Foundation, Sam Yaksich, free hardcopies are available.

Study of Car/Truck Crashes in the United States. Arthur Wolfe, Oliver Carsten, Highway Safety Research Institute, University of Michigan. Copies Available @ .10/page. (79 pgs.)

1981

Reducing the Risk of Pedestrian Accidents to Preschoolers by Parenting Training & Symbolic Modeling for Children; An Experimental Analysis in the Natural Environment. Dennis Embry, University of Kansas, James L. Malfetti, Columbia University. Copies Available @ .10/page. (140 pgs.)

Marijuana Effects on Driving: A Survey of the Perceptions, Attitudes & Practices of High School Students. Marcelline Burns, So. California Research Institute. Copies Available @ .10/page. (72 pgs.)

1980

Motorist Understanding of Traffic Control Devices Test II. AAA Foundation, Slade Hulbert, Paul Fowler. Copies Available @ .10/page. (56 pgs.)

Alcohol Education & Traffic Safety Module for Elementary School, Kindergarten through Sixth Grade, Field Testing Version. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (185 pgs.)

Critical Item Truck Inspection Guide. Edward Kynaston, California Highway Patrol, free hardcopies are available.

Counseling Manual for Educational & Rehabilitative Programs for Persons Convicted of Driving While Intoxicated. James L. Malfetti, Darlene J. Winter, Safety Research & Education Project, Teachers College Columbia University. Free hardcopies are available.

1979

Safety Aspects of School Buses in Use Today. Keith Allen, Central Michigan University. Copies Available @ .10/page. (17 pgs.)

Motorist Understanding of Traffic Control Devices Test I. AAA Foundation, Slade Hulbert, Jinx Beers, Paul Fowler. Copies Available @ .10/page. (60 pgs.)

Improving Road Guide Signs; What Can You Do About It? AAA Foundation, Burton Marsh, free hardcopies are available.

Children in Traffic-Discussion Guide Translation. Kind Und Verkehr, DVR. West Germany, free hardcopies are available.

Impact of Vans on Highway Safety. Susanne Norton, James O'Day, Highway Safety Research Institute, University of Michigan. Copies Available @ .10/page. (9 pgs.)

Highway Transportation of Hazardous Materials - Safety Implications for All Motorists. AAA Foundation. Copies Available @ .10/page. (11 pgs.)

1978

Bicycle Safety Education; Facts & Issues. Kenneth Cross, Anacapa Sciences. Copies Available @ .10/page. (163 pgs.)

Senior Adults Traffic Safety & Alcohol. AAA Foundation, free hardcopies are available.

Development of a Traffic Safety & Alcohol Program for Senior Adults. James L. Malfetti, Darlene J. Winter, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (155 pgs.)

1977

Development of a Jr. High School Module on Alcohol Education & Traffic Safety. James L. Malfetti, Kenneth Simon, Monica Homer, Safety Research & Education Project, Teachers College Columbia University, free hardcopies are available.

1976

DWI Rehabilitative Programs; Proceedings of the First National DWI Conference. AAA Foundation. Copies Available @ .10/page. (129 pgs.)

Counseling Manual for DWI Counterattack Programs. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (461 pgs.)

Guidebook for School Bus Transportation Supervisors. Keith Allen, Central Michigan University. Copies Available @ .10/page. (245 pgs.)

School Bus Primary Grade Teacher's Packet, AAA Foundation, free hardcopies are available.

1975

Reeducation & Rehabilitation of the Drunken Driver. James L. Malfetti, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (16 pgs.)

Developing Traffic Safety Curriculum Guides for Visually Handicapped High School Students. Philip J. Conjilose, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (11 pgs.)

DWI Mini Course for High School Driver Education Programs. Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (241 pgs.)

1974

Manual for the Administration of Driving & Connotative Meaning. James L. Malfetti, Ken Simon, Belvin Williams, Safety Research & Education Project, Teachers College Columbia University. Copies Available @ .10/page. (57 pgs.)

1971

Bus Collision Causation & Injury Patterns. A.W. Siegel, A.M. Nahum, University of California at Los Angeles. Copies Available @ .10/page. (62 pgs.)

1970

Rehabilitation of the Drunken Driver. James L. Malfetti, Ernest Stewart, Teachers College Columbia University. Copies Available @ .10/page. (259 pgs.)

1967

A Study of Motor Vehicle Inspection. Arizona State University. Copies Available @ .10/page. (61 pgs.)

A Study of Motor Vehicle Inspection Summary. Arizona State University. Copies Available @ .10/page. (8 pgs.)

1966

Safe Winter Driving Guides - An Outline for Instructor's (revision). AAA Foundation. Copies Available @ .10/page. (30 pgs.)

1965

Traffic Safety Education in Schools - An Appraisal and a Proposal. AAA Foundation, Charles Murphy. Copies Available @ .10/page. (27 pgs.)
